

STICKY SUBLIMATION PAPER

RHT-6610 / RHT- 6210

Specifically designed for applications in stretch fabrics by thermally stick on it, thus effectively avoid shrinkage of fabrics and offering extraordinary performance in detail printing.

FEATURE

Thermally stick to various kinds of stretchy fabrics, stickiness stability

Avoiding shrinkage of fabrics and suitable for all different weather conditions

Fast drying speed

Superb transfer rate, extraordinary detailed printing

SPECIFICATION

MODEL	WIDTH	LENGTH	JUMBO ROLL
RHT-6610	914mm (36inch) 1118mm (44inch)	100/200m	7000m
RHT-6210	1520mm (60inch) 1620mm (64inch)	100/200m	

*Other widths, lengths and jumbo rolls can be customized according to your requirements.
