

RHT- 5110 / 5109 / 5107

Cost-effective products, satisfactory overall performance. Fast drying speed, especially suitable for high-speed printing.

FEATURE

Anti-curling

Large ink absorbing capacity and wide printing adaptability

Decolorization is faster and production efficiency is improved

Superb transfer rate, vivid image

SPECIFICATION

MODEL	WIDTH	LENGTH	JUMBO ROLL
RHT-5110	914mm(36inch) 1118mm (44inch)	100/200m	7000m
RHT-5109	1520mm (60inch) 1620mm (64inch)	100/200m	8000m
RHT-5107	1520mm (60inch) 1620mm (64inch)	200m	10000m

*Other widths, lengths and jumbo rolls can be customized according to your requirements.
